

RAHM AMBASSADOR GUIDELINE

RAHM Ambassadors are RAHM Community Members, located in big cities, who are in charge of organising local events to foster the community offline and help it grow even bigger.

The goal of those quarterly meet-ups, which can be in the form of a dinner, a breakfast, after work drinks or fun activities, is, to make it easier for members to get together, communicate and to stay in touch. RAHM Ambassador Events help to create a space, where members feel empowered and can support each other. Any RAHM Community Member can join the RAHM Ambassador Events and bring friends, who they think would fit into the community.
